## *Genealogy of the Franciscan Sisters of Christian Charity according to our Foundresses and subsequent Reception groups.*

As this 150th Anniversary of our Founding begins, and as Theresa Gramlich, Rosa Wahl, Josepha Thoenie and Mary Ann Graf move the rest of their belongings from Clarks Mills to their new lodgings near St. Boniface, preparing for their new beginnings, Heritage Happenings remembers everyone who at one time followed their footsteps.

First Profession for Reception Group of 1927. Crown of White Flowers

Reception: Placing the veil at the feet of Jesus before receiving the new habit and veil.

On Perpetual Profession, each Sister received a crown of thorns that she wore for several days, plus a Crucifix of her Lord. In 1970, the crown of thorns was changed to a long stemmed red rose...with thorns.

Do you have **stories, photos**, about your Reception, Profession ceremonies?? Please share them with the Archivist...preserve our rich, beautiful heritage for the future generations to come.
